### **WIGAN AND LEIGH CVS - FINAL BULLETIN**

As agreed at the Wigan and Leigh CVS AGM on 16th February 2017, the CVS has been moving towards formal closedown. The CVS members agreed any residual funds to be transferred to Macc, who will be working with 10GM to support the future provision of infrastructure support for Wigan.

As part of this transition, Macc ([www.macc.org.uk](http://www.macc.org.uk)) has been working with the developing Wigan Community Partnership's members and consulting with the Wigan Voluntary, Community and Social Enterprise sector (VCSE) about the support needs for the sector and how these are best met.

The transition phase has been completed and Wigan and Leigh CVS will now formally cease to exist and provide services in the borough. From this point onwards, the services of ebulletin, volunteer database, and one to one support sessions hitherto delivered by Wigan and Leigh CVS will now be co-ordinated and delivered through Macc in addition to their current Wigan training programme.

Macc and 10GM will also be providing local infrastructure support, working towards the priorities of:

- Continuing local infrastructure support in Wigan and Leigh
- Increasing connections with Greater Manchester via 10GM
- This work will ensure:
- continuation of a VCSE information Bulletin, locally based training, funding advice and one to one group support, and volunteer brokerage support
- a place of influence in Greater Manchester developments through 10GM
- access to an extensive range of web based resources
- The new contact email is [wigan@10gm.org.uk](mailto:wigan@10gm.org.uk)

### **GMPA LAUNCHES THE 'HOUSEHOLD ITEMS AND REPAIRS' MAP**

Back in January Greater Manchester Poverty Action (GMPA) launched the Emergency Food Providers map, a Google map showing the location of all the foodbanks, pay-as-you-feel cafés, food clubs and pantries that they could find.

GMPA added more pins and made any necessary amendments over the past 9 months. Since its launch this map has had over 6,400 visits and hope that it will continue to be a really useful resource.

The second map shows 'Household items and repairs' and includes organisations that provide reconditioned, refurbished and repaired furniture, white goods and smaller electrical items for a fraction of high street costs, some that are even able to offer a limited number of these items free of charge. Local Freecycle groups have been included that simply advertise everything, including occasionally the kitchen sink, that is available for free from the current owners who no longer need the item. Also shown are a few organisations that can provide some practical support in the home for those on low-incomes, the elderly and the disabled.

GMPA would welcome your help to improve this map. Who has been missed off? Are the details completely accurate? Email [chris@gmpovertyaction.org](mailto:chris@gmpovertyaction.org) with any additions and corrections. The more accurate it is, the more useful it will be.

### **PLAN TO FUND EXTRA CARE HOMES**

Town hall chiefs have entered discussions to fund several new care homes to tackle the borough's ageing population crisis. Wigan Council's care home reform committee has begun plans to commission two brand new care homes and redevelop an existing building to combat a "fragile adult social care market".

One of the key priorities of the board, the health and social care scrutiny committee heard, is to develop additional capacity for the 70,000 over 65s - around a fifth of the population - expected to be living in the borough by 2025, 9,000 of whom will be over the age of 85. Town hall figures predict that by 2025, the number of people aged over 65 will have increased by 50 per cent in just ten years, while the number of people aged over 85 living in the borough will have more than doubled.

The three potential developments would create a total of 170 new care home beds and six end-of-life suites across three different areas including Bickershaw and Leigh. Wigan Council would not run the care homes but would be likely to hand them over to private providers.

Associated documents outline the plans, saying: "The Care Home Reform Board are working with a local charity who shares Wigan Council's ethical commitment to achieving the best for local people by aligning world class building design with the best possible model of care and support to create a Centre of Excellence that the borough can be proud of."

### **MISSPLACES: WOMEN'S SHED**

We meet Mondays at Platt Bridge Community Zone: 1pm—4pm

We welcome all women who have a hobby or skill, who would like to join like minded women, to share these skills and develop new ones.

We are keen to provide workshops to encourage women to learn some basic DIY skills, to empower and promote independence.

If you need any more information or want to have a chat about MissPlaces, please give me a ring on 07738 114 389

### **AUTISM FRIENDS TRAINING**

Here at True Colours, our aim is to make the Wigan borough Autism Friendly and a better place for Autistic people to live. We are offering Autism Friends training across the borough to community groups and organisations. The sessions are 45 minutes and are free! We will give you a basic insight into Autism and each session is co-delivered by an inspirational lady, Dawn, who was diagnosed with Autism at the beginning of this year at the age of 46. Each attendee will receive an Autism Friends badge to raise awareness.

Please note that this is an information session, and more in depth training is available upon request.

Please contact Marian at True Colours on [marian@truecoloursccic.co.uk](mailto:marian@truecoloursccic.co.uk) or Dawn O'Neil on [dawnoneil2003@gmail.com](mailto:dawnoneil2003@gmail.com) for further details.

### **SHOULDER TO SOLDIER CHARITY LAUNCHES REGULAR SUPPORT SESSIONS FOR ARMED FORCES FAMILIES**

People in the armed forces, veterans and their families are being invited to attend regular support sessions in Leigh.

Shoulder to Soldier a charity supporting armed forces families across the UK that is based on Church Street in Leigh, will hold the drop-in sessions on the first and third Tuesday of every month starting. They will be held at the Tesco Extra Community Room at The Loom from 6pm to 9pm, with the first session being on Tuesday, October 3.

Shoulder to Soldier trustee Angela Coates said: "Since the launch of the charity we have been inundated with requests for help and support from local veterans and veterans from all over the country. "We will try to help veterans and armed forces families in any way we can, so please feel free to pop in for a cuppa and a chat."

For more information about the charity/upcoming support sessions visit [www.shouldertosoldier.org.uk](http://www.shouldertosoldier.org.uk)

### **COMMUNITY ALCOHOL CHAMPIONS BEING TRAINED TO COMBAT EXCESSIVE DRINKING STATISTICS**

A pioneering programme is being launched today to combat the growing number of people who are drinking excessive amounts of alcohol across the city region. The latest statistics from Public Health England show rates of alcohol-specific hospital admissions and mortality are significantly higher across all 10 boroughs in Greater Manchester than the England average.

The Communities in Charge of Alcohol project will be led by community volunteers called Community Alcohol Champions, who are being trained to help family, friends and colleagues to rethink their drinking habits.

Greater Manchester's deputy mayor for policing and crime Beverley Hughes has backed the initiative. She said: "Alcohol-related crime is putting avoidable pressure on already overstretched police and health services. "The effect of binge drinking on anti-social behaviour is widely known but excessive alcohol consumption also leads to an increase in more serious crimes that are being committed across Greater Manchester.

"It is important not only for community safety but also for the health and wellbeing of our residents that we encourage people to cut down on the amount of alcohol they drink. "Many people in Greater Manchester are unaware of the effect alcohol is having on their health. "Our Community Alcohol Champions will be figures of trust in the community who will support people as they think about and change their drinking habits."

The programme is first being introduced in Salford and Stockport. It will be rolled out to all other boroughs across Greater Manchester, including the Wigan borough, by May. Salford Healthy Communities (SHC) will run the project on behalf of Salford City Council's public health team.

### **UPRISING PROGRAMMES: ENVIRONMENTAL LEADERSHIP AND FASTLANERS EMPLOYABILITY NOW OPEN FOR APPLICATIONS**

Know any budding young Greater Manchester leaders who want to learn from the experts and make real environmental change?

Or anyone unemployed, under-employed or working a zero-hour contract who needs a hand getting that dream job?

The UpRising Environmental Leadership Programme and Fastlaners Employability Programme are now open for applications

#### **Environmental Leadership Programme**

The Environmental Leadership Programme gives young adults aged 19-25 the chance to learn directly from cross-sector, expert sustainability leaders as well as plan their own environmental project to make the world a better, brighter place to live in.

Participants are also matched with a personal coach and professional mentor; recent mentors have included senior leaders from the BBC, Manchester Climate Change Agency, Incredible Edible, Siemens, National Trust, Astrazeneca, and more. UpRising's most recent impact report (DEMOS) found that the programme significantly improved leadership, networking and advocacy skills; 68% of participants gained employment and one-in-five alumni set up a social enterprise or business.

For further information, contact Jenny Liversidge, Greater Manchester Programme Co-ordinator, on 0734 299 4166, or email: [jenny.liversidge@UpRising.org.uk](mailto:jenny.liversidge@UpRising.org.uk)

#### Fastlaners Employability Programme

The Fastlaners Employability Programme builds the skills of participants aged 18-25 through interactive workshops, mock interviews and networking events with professionals, designed to help them identify career goals and develop the networks to secure fulfilling work.

Participants are matched with a peer mentor to motivate them in their job search and have access to three to six months of ongoing, one-to-one support from UpRising staff to apply for opportunities and prepare for interviews. 89% of last years participants found a meaningful opportunity within 6 months.

For further information, contact Lydia Burke, Greater Manchester Fastlaners Programme Manager on 0794 373 5238, or email: [lydia.burke@uprising.org.uk](mailto:lydia.burke@uprising.org.uk)

For further information and to apply, visit: [www.UpRising.org.uk/apply](http://www.UpRising.org.uk/apply)

#### **PLATFORM THEATRE COMPANY IS BACK!**

The return of Platform Theatre Company means new and old Drama Kings & Queens will be welcomed this October.

Supported by Wigan Council's 'Deal for Communities' fund, local arts consortium, Healthy Arts, will be delivering drama training and rehearsals towards more performances throughout the year. The drama group integrates young people aged 13 plus with adults, creating a real intergenerational flavour.

Based in the creative hub of The Old Courts on Crawford Street, the theatre company will meet regularly on Wednesday evenings between 7.30 – 9.30 pm, starting on 4th October. The autumn term start is a good time to come in and join the fun and improve your performance skills.

Director of Platform Theatre Company, Martin Green, has a strong background in professional and community drama. He will be heading up the workshops which offer skills-training in voice and movement, confidence-building and an opportunity to create and take part in live performances.

The group has been growing and developing over the last two years. To be able to keep running the sessions, there will be a reasonable cost to getting involved. Weekly sessions are just £5 for a 2 hour session jam-packed with fun, new friendships and learning opportunities. Some free places are available, but please contact Healthy Arts to chat about your individual circumstances.

Contact Martin on 07542 114383 or email [martin@greenroom-creative.co.uk](mailto:martin@greenroom-creative.co.uk) for further information or to register your interest.

### **DUKE OF EDINBURGH SCHEME**

Our inclusive, accessible Duke of Edinburgh scheme is aimed at anyone aged 14-19. Participants will attend our weekly meetings at Spring View Rugby Club on Wednesday nights 7pm-9pm. At these sessions participants join in with activities to help them achieve their award. The Duke of Edinburgh scheme requires participants to complete 5 sections: Skill, physical, volunteer, residential and expedition. Our scheme is designed to make sure anyone who is willing to participate can complete all 5 sections no matter what their level of ability.

- The bronze award is for young people aged 14-15 and takes one year to complete.
- The silver award is for young people aged 15-16 and takes one year to complete.
- The gold award is for young people aged 16-19 and takes two years to complete.

You do not have to have completed the bronze or silver award to start on gold so we will accept any participants between the ages of 14-19. All sessions cost £2.50 and refreshments are provided.

### **FREE FIRST AID TRAINING SESSIONS**

Everyday first aid sessions are being offered, by the British Red Cross, strategically to people most likely to use their newly learned skills in an emergency. These sessions are fully funded.

Our current engagement strategy primarily focuses on groups (such as friends, family members, community groups, organisations and unpaid carers) who meet or live in areas that have a high identified risk in the following categories:

- Older people at greater risk of falls
- Substance users (or recovering)
- Homeless people (or at risk of homelessness)

An everyday first aid session is approximately two and a half hours long and helps people become more confident to help someone by teaching first aid skills that are easy to do, easy to learn and easy to remember. We work alongside other organisations such as yours and tailor our first aid training to meet the specific needs of your group in an inclusive and flexible way. Each participant receives a certificate of first aid learning.

Please help us build community resiliency by arranging a session for your group who could benefit from these skills as well as sharing this information with other organisations you know of. To arrange a session please contact me by e-mail or phone. Preferably with some suggested dates.

### **WIGAN PEER TO PEER**

Wigan Peer To Peer will provide low intensity peer support for people with a range of lower level support needs, living in the Metropolitan Borough of Wigan.

The service will act as a step-down for people exiting Wigan Wellbeing and Resilience Service, therefore extending our support provision for people with diverse needs including histories of offending, substance misuse, mental health, learning disabilities and older people.

Crucially, Peer To Peer will provide the social and emotional support needed to maintain and nurture service user independence, as well as encourage active participation in the Wigan community through peer-led activities, improved health and wellbeing and increased connectivity of both service users and volunteers. Wigan Peer To Peer is innovative in that it responds to individual needs – all support will be peer-led, and delivered via a variety of methods, including one-to-one, group, activity and also telephone-based support. Wigan Peer To Peer will operate both from our bases (Wigan Central and Leigh) to deliver group activities such as music groups and film clubs. The service will also utilise the numerous venues and facilities, such as cafes and leisure centres, which are located across Wigan.

To refer an individual into Wigan Peer To Peer for Mentee support, please contact your nearest Wigan Wellbeing and Resilience Service base:

Leigh - 19-23 Charles Street WN7 1DB Tel: 01942 671 457

Wigan - 40c Warrington Lane WN1 3RT Tel: 01942 238 413

### **THE DIGA LEARNING PROGRAMME**

Evidence shows that SMEs grow two to three times faster when they embrace digital technologies.

The Digital Innovations Growth Academy (DIGA) programme provides an opportunity for enterprise trainers and educators across Europe to enhance their digital knowledge and understanding. It enables them to consider how to integrate digital skills, tools and processes into starting up a business and developing training and support activities.

A 5-module learning programme has been designed based on extensive research that analysed the needs and experiences of learners who were considering entrepreneurship as a career option, entrepreneurs running their own small businesses together with their teachers and advisers.

### **OVER 50? MALE? WE NEED YOU!**

Wigan & Leigh Pensioners Link are looking for men to take part in our Mind Over Matter Project

Mind Over Matter is a pilot project that is about helping older people maintain a healthy lifestyle via activities that encourage physical activity, keeping the brain active, and healthy eating. All the activity sessions provided are free of charge and most will be for a minimum of around six weeks in Leigh/ Atherton/Tyldesley/ Astley/Lowton/Golborne/Hindley.

As we would like to seek further funding and extend these sessions across the Borough, it is very important that we monitor and evaluate how useful and successful they are with older people. So we are asking everyone taking part to complete some very simple forms and to give us their feedback.

For further details please contact Sue on 01942 261753 or, alternatively you can visit us at 27 Charles Street, Leigh, WN7 1DB. If you are a group, I would be more than happy to come along and have a chat with you about the project.

### **FREE ADVICE LINE FOR SMALL CHARITIES OPENS**

The FSI has launched a free service offering advice to small charities on a range of organisational issues. A pilot of the Advice Hub opened to FSI members with an annual turnover of under £100,000 this week and will run until the end of 2017.

### **GETTING IT RIGHT: WHAT LESBIAN, GAY, BISEXUAL AND TRANS (LGBT) YOUNG PEOPLE IN GREATER MANCHESTER WANT AND NEED**

Greater Manchester-based charity The Proud Trust has worked with 42nd Street, Albert Kennedy Trust and LGBT Foundation to undertake focus groups and a survey, to find out more about the perspectives and experiences of a sample of young LGBT people in Greater Manchester. This research aims to equip commissioners, policy makers and professionals with a better understanding of the experiences of LGBT young people, so they can create and maintain inclusive, useful services for young LGBT people in Greater Manchester.

Devolution Manchester, Our Manchester and the Thrive Model all point to integrated, person-centred and needs-led models of support. These ensure people get help and support at the right time, and participate as part of the solution, rather than being seen as a problem (this is also known as the asset-based approach).

### **£134M INVESTMENT IN MENTAL HEALTH ACROSS GREATER MANCHESTER**

The investment – the biggest and most ambitious of its kind in the country – aims not only to put mental health on an equal footing with physical health but to start to deliver Greater Manchester's vision of making sure that no child who needs mental health support will be turned away.

And with nearly 60 per cent of the cash – £80m – supporting the mental health needs of children, young people and new mums, it also reflects the commitment to increase the proportion of the budget focused towards young people.

For further information regarding this project, please visit the Great Manchester Health and Social Care Partnership website via the following link [www.gmhsc.org.uk/category/news/](http://www.gmhsc.org.uk/category/news/)

### **COMMUNITY CIRCLES**

Community Circles are a national charity and have been commissioned by Wigan Council to work with all care homes across the borough to keep people connected to what really matters to them.

A Community Circle brings two or more people together around someone who want a little help to make a change in their life. That change can be anything – from getting out and about more, to starting a new hobby or restarting an old one, or creating opportunities to spend more time with friends or family.

Everyone then works towards making this change happen with the support of a volunteer Community Circles Facilitator. The Facilitator keeps meetings flowing, following a tried-and-tested, step-by-step process that ensures that conversations are focused and lead to actions.

If you have a couple of hours a month to spare and are keen to make a difference in your local community contact Cath on 07979331745/[cath@community-circles.co.uk](mailto:cath@community-circles.co.uk)

Take a look at our website to find out more [www.community-circles.co.uk](http://www.community-circles.co.uk)

### **FEEDBACK FROM GREATER MANCHESTER MAYORAL DIGITAL AND TECH SUMMIT -**

On the 6th July 2017 the Mayor of Greater Manchester Andy Burnham held a landmark summit to stake out the city region's claim to be the UK's tech leader. A summary of the summit has been published online here: <https://drive.google.com/file/d/0B1S0GYok6aZuRVlQRDZZb2xmMHc/view>

One of the things that came out of the summit very strongly was the important work being undertaken by the voluntary sector around digital inclusion and how VCSE sector needs to be involved in the digital agenda, particularly with disengaged communities.

For further information about this initiative and to learn more about the events of the day, <https://gmcvodatabases.org.uk/>

### **THIRD SECTOR TRENDS IN NORTH WEST ENGLAND REPORT PUBLISHED**

A major new report on the Third Sector in North West England has been published by Policy&Practice. The study, funded by IPPR North and Garfield Weston Foundation, includes responses from 1,462 third sector organisations in the North West of England. Thank you to everyone in Greater Manchester who participated in the survey which took place last year.

Jack Hunter, Senior Researcher at IPPR North has reviewed the key points from the report in a blog which can be found here: <https://www.ippr.org/blog/state-of-the-third-sector-in-the-north-west>

### **CLEAN ENERGY CAMPAIGN COMES TO GREATER MANCHESTER**

In October, Greater Manchester Combined Authority will launch a campaign to help thousands of residents save money by switching to clean energy.

Average household savings are expected to be in excess of £240/year.

This will be the first campaign of its kind in the UK, and they hope to maximise its impact – and make it an example for other cities to follow – by working with organisations across Greater Manchester to get the word out. They're producing a comms pack with everything you'll need to promote the project, from poster designs to social media posts.

You can see more details in their PDF download: <https://bigcleanswitch.org/170808-joining-the-gm-big-clean-switch-final/>. If you are able to help support the project, please contact the campaign director, Jon Fletcher, directly, by emailing [jon@bigcleanswitch.org](mailto:jon@bigcleanswitch.org).

### **GM POVERTY ACTION NEWSLETTER 6 SEPTEMBER 2017**

## **SPORTING MEMORIES GROUPS FOR PEOPLE LIVING WITH DEMENTIA**

Throughout the summer Sporting Memories have been busy building on the Greater Manchester Sporting Memories Network that they have now established. These groups continue to flourish and go from strength to strength, so much so that they are now able to roll out the beginning of the next phase which will involve establishing new groups tailored for people living with dementia.

These groups will be free to attend, self-referring, and will be delivered in partnership with Lancashire County Cricket Club Foundation / Altrincham FC (Trafford), Trinity House Community Resource Centre (Central Manchester), and St Andrews Church (Salford). To get a flavour of what these groups look like, and what they mean to the participants, you can view a video here <http://sportingmemoriesnetwork.us16.list-manage2.com/track/click?u=cd8d3> from one of the similar groups in Scotland.

For further information regarding these new groups, contact Jason White, Area Project Coordinator (Greater Manchester) on 0751 469 8879 or email: [jason.white@sportingmemoriesnetwork.com](mailto:jason.white@sportingmemoriesnetwork.com)

## **PEOPLE POWERED HEALTH - THE RISE OF PEOPLE POWERED APPROACHES ACROSS GREATER MANCHESTER**

This brochure was developed to demonstrate the range and impact of people powered health projects across the whole of Greater Manchester.

The stories illustrate a range of approaches that build on the tenets of people powered approaches, but have been developed independently across the 10 boroughs of GM over recent years. They show examples of how local people are addressing local challenges in positive and creative ways.

The examples shared here were recommended by Healthwatch organisations and voluntary, community, faith and social enterprise organisations working at a local level as fantastic examples of people powered approaches.

This Report was developed at the end of Stockport's People Powered Health journey with Nesta, to share learning from across Greater Manchester. Go to <https://www.manchestercommunitycentral.org>
